Congratulations on earning Approved Chemists status for 2024-2025! Your certificate is in the mail.

In addition, you may use the approved chemist toolbox to advertise your status as an approved chemist on reports, in letters, in ads and on your website. This toolbox is attached to the email with this letter.

If you are willing to provide a photo of you or your staff in your lab and/or a quote regarding your experience with AOCS that we might publish on our website or social media channels, please email us at technical@aocs.org. Along with the photograph, we will provide a link to your website and a brief description of the type of work that garnered your Approved Chemist status. This service is offered free of charge to AOCS Approved Chemists.

Thank you for being a member of the AOCS Laboratory Proficiency Program.

Best Regards,

Sean Ekiss
AOCS LPP Manager
